

Left side of church: But all the points that follow in this article serve no other purpose than to explain and express this redemption. They explain how and by whom it was accomplished. They explain how much it cost Him and what He spent and risked so that He might win us and bring us under His dominion. It explains that He became man, was conceived and born without sin, from the Holy Spirit and from the virgin Mary, so that He might overcome sin.

Right side of church: Further, it explains that He suffered, died, and was buried so that He might make satisfaction for me and pay what I owe, not with silver or gold, but with His own precious blood. And He did all this in order to become my Lord....

Left: After that He rose again from the dead, swallowed up and devoured death, and finally ascended into heaven and assumed the government at the Father's right hand.

Right: He did these things so that the devil and all powers must be subject to Him and lie at His feet until finally, at the Last Day, He will completely divide and separate us from the wicked world, the devil, death, sin, and such....

All: Yes, the entire Gospel that we preach is based on this point, that we properly understand this article as that upon which our salvation and all our happiness rests. Amen.
