April 29-May 2 ITBS Tests

Thank You

Thank you to all who made the field trip to Old World Wisconsin successful. The Lord provided a beautiful day for us.

Dress

As we make our way into October, remember to have your children dress accordingly. Shorts are not permitted starting Monday. Student may bring them along to school and may be allowed to change into them should we be blessed with warm weather. Please review the hats/gloves guidelines listed below and posted on the school bulletin board. If you have questions regarding these rules, speak to Mr. Quade.

Book Fair

The fall Book Fair is only two weeks away, Friday, October 5, 7:00. The students should be working on these projects. Everyone is asked to **bring "finger" food** for the fellowship period. Now would be a great time to invite relatives and friends.

Teachers' Conference Break

This year's CLC Teachers' Conference will be in Columbia, SC. Messiah will not have school the week of October 15. Please try to schedule your child's appointments during that week.

Cold Weather Guidelines

1. Students must wear jackets when the temperature falls below 60 degrees
2. At temperatures below 45 degrees, students will need to have ears covered and some type of gloves or mittens
3. Students who do not have ear coverings/mittens/gloves will remain in their seats and be involved in quiet activities during the break
4. When the temperature/wind chill is colder than 20 degrees, students will have the option of going outside or staying inside
5. At temperatures below zero, students who go outside may only stay outside for periods of 15 minutes; they must then come back inside
