Congratulations!

Congratulations to Caleb Arndt (8th) for winning this year's National Geographic School Geography Bee. Study hard so that you are ready to complete next week's exam to compete to be one of one hundred Wisconsin students who will compete for the state title this spring.

Thank you!

To those who put together the Geography Bee **supper** and brought those who brought additional items, thank you. To Mr. Lisak and all the others who worked to make the **school Geography Bee** a great experience - thank you! A special thank you to former Messiah student **Andrew Gerbitz** for his presentation to the upper graders today, thank you. May the Lord continued to bless you.

MSO Field Trip

Our rescheduled MSO Field Trip is Wednesday, January 30, we will be going to an MSO presentation with the students from Luther Memorial, Fond du Lac. Everyone will return to Messiah for a pizza lunch and interactive activities. Students will be dismissed at their normal time.

Winter Party

This year's winter party is approaching quickly. More information will be made available next week along with permission slips. Those who can help with the party are to speak to Jennifer Plockelman.

Valentine's Activities

All the students are asked to bring shoebox type boxes to school by next Friday, February 1. Valentines will be exchanged on Thursday, February 14, at 11:30. More information to follow next week!

2019-2020 Calendar

A draft of the 2019-2020 calendar was sent home last week. Please direct comments to Mr. Quade by February 7.

Round Robin Basketball - March 2
